IMPORTANT NOTICE

We would like to draw Your attention to important features of Your policy including:

1. This is a legal contract between Prosperity Lifecare, active Prosperity Lifecare Members and Hollard Insurance.
2. **Terms and conditions** are the rules You have to comply with in order for the policy to be valid – for example, that all jewellery must be kept locked away in a safe.
3. You can only claim for items in which you have an **insurable interest** – i.e. items which, if lost or damaged, cause You to be worse off financially. Example: You cannot claim for the loss of items that don't belong to You.
4. **Emergency Medical Expenses:** This policy is **NOT a Medical Aid**, and does not provide cover for procedures that can be carried out in Your country of residence after repatriation.
5. **Adventure Sports & Activities:** Your policy contains restrictions regarding the participation in sports. Please note that we do not provide cover for rescue costs relating to altitude sickness.
6. **Trip Limits:** Trips must commence and end in your country of Temporary or Permanent Residence as per Your origin of travel and a return ticket must have been booked prior to departure.
7. **We use an appointed emergency assistance provider: Europ Assistance S.A., they can be contacted on +27 11 991 8610 (South Africa).**

YOUR RESPONSIBILITIES

1. **Your duty of disclosure:** You have a duty of disclosure to Us when it is relevant to Our decision whether to insure You, and, if We do, on what terms whenever You apply for, or change an insurance policy.
2. **Medical Emergency: Accident & emergency department (A&E), emergency room (ER) or casualty department (Authorisation of Medical Expenses).**
3. **Avoid fraudulent acts.** All dealings concerning this policy must be done honestly and in good faith. If You are found to have engaged in fraudulent or dishonest behaviour, You will lose all rights to claims and premiums. Examples of fraudulent behaviours are:
 - a. Providing false information (claim or risk profile)
 - b. Making a claim that You know to be false, fraudulent or exaggerated
 - c. Obstructing the outcome of a legal matter.
4. No admission, statement, offer, promise, payment or indemnity may be made by You without Our prior consent in writing.
5. You must give all information, documentation and assistance required by Us to obtain indemnity from other parties.
6. **Observe all terms and conditions**, which are the rules You have to stick to in order for the policy to be valid. If You don't it may result in Us refusing to pay You out for a claim.
7. **Communication of Material Changes:** Any changes in Your circumstances must be communicated to Us in writing immediately and if possible before such changes occur to ensure continuous cover. Provided that the changes are acceptable to Us, they will be effective from the date agreed upon, subject to Our terms and conditions being complied with. We will confirm these changes by sending You an updated Schedule.

IMPORTANT HEALTH INFORMATION

You must comply with the following conditions in order to have full protection under this policy. If You do not comply We may cancel the policy, reject Your claim or reduce the amount of any claim payment.

1. **Pregnancy:** If You are aware of the pregnancy at the time of issue of the policy, You must declare the pregnancy to Us if either of the following apply:
 - a. There have been complications with this or any previous pregnancy, or
 - b. The conception was medically assisted (including hormone therapies and IVF).

CLAIMS

1. **How a claim benefit is calculated:** When We pay a claim We consider a number of aspects in calculating the amount. These can include:
 - a. The amount of financial loss;
 - b. The excess;
 - c. The maximum benefit limits and sub-limits;
 - d. The terms and conditions of the policy

2. How much we pay is always based on the value of the item, and not the sentimental or other value You may hold.
3. **You cannot claim more than the actual loss.** For example, by claiming under two different sections of this policy. Similarly, if an insured event is covered by another insurer, airline or operator, then the amount payable by such insurer, airline or operator will become the Excess of this policy.
4. **Top-up cover:** Our cover is conditional on You qualifying for free medical cover (either a medical aid or credit card company). This means our cover is **in addition to your free cover**, and You have to **claim from the free cover first**. The amount payable by your free policy will become the Excess of this policy.
5. **Third party liability claims:** We may finalise the claim by paying You the limit of liability, or any lesser amount for which the third party claim may be settled. This will release Us from any further liability for the claim.
6. **You cannot claim more than the sum insured**, even if Your financial loss was greater.
7. **If You have more than one policy underwritten by Us**, the maximum We will pay shall not exceed the sum insured of whichever policy has the highest sum insured. Example, if one policy covers baggage up to N\$5,000 and the second up to N\$7,000 the maximum we will pay is N\$7,000.
8. **We do not pay interest** unless ordered to do so by a Namibian court of law.
9. You have to **sign a release** in Our favour before We will settle a claim.
10. **The pay-out is always reduced by the excess (if and where applicable).** For every valid claim, You will always have to pay the first amount, also known as the excess. For example, if there is an excess of N\$500 on a N\$10,000 claim, then You will receive a pay-out from us of N\$9,500. The excess is listed in the Certificate. The excess applies per person to any claim from a separate event. Please contact Prosperity Lifecare for any details with regards to the excess applicable.
11. **How to claim:**
 - a) Tell us right away – no later than 30 days after Your date of return.
 - b) Do not admit liability or make misleading promises to anyone, such as:
 - Make any statements (unless required by law)
 - Offer payments to anyone
 - Negotiate with anyone claiming from You.
 - c) Send Us all documents.
 - d) Help Us with any legal proceedings against a party responsible for the loss. Note that any such legal action may be taken in Your name.
 - e) Sign a release before We pay You.
 - f) The entire claims procedure is at Your own expense, including the cost to obtain all reports We may require, or if You are required to submit to a medical examination.
